NOTE:- The interim Concession sanctioned in G.O.717 Finance Dated 20-9-46 seems to be admissible only to the regular non-Gazetted Government servants who are employed whole time, and until their

scales of pay are revised. As the part time music instructors in question are earning extra income from other sources in addition to their remuneration from Government, it does not seem that the temporary additional pay can be allowed to them. Incidentally, it may be mentioned that dearness allowance is not admissible to part time Government servants. The Director of Public Instruction may be informed that the interim concession is not admissible to such staff. The draft overleaf is for approval.

I have the honour to request the orders of Government whether the amount of the interim relief sanctioned in G.O.No. 717, Finance, dated 20-9-'46, should be taken into account for the purpose of calculating War Allowance now termed as "Cost of living allowance".

In paragraph (1) of G.O.No.674, Finance Department, dated 5-6-'45 it has been laid down that for purposes of regulating War Allowance to Government servants the term "pay" would include personal pay and Special pay but no "Overseas Pay".

In paragraph 3 of G.O.No.717, Finance Department, dated 20-9-'46, sanctioning the "Interim Relief" Government have ordered that this temporary additional pay would count as pay for all purposes under the provision of Fundamental Rule 9 (21) (a) (iii). It is not clear whether the amount of interim relief could be taken as pay for purposes of grant of "War Allowance". The interim relief has been ordered to be taken into account for purposes of ascertaining the rate of Dearness Allowance admissible to Government servants - vide memorandum No.53395-Sal.L Finance (Pension), dated 7-10-'46.

As the question is not quite free from doubt I request orders of Government regarding the admissiblity or otherwise of War Allowance on the amount of the interim relief sanctioned in G.O.No.717, Finance Department, dated 20-9-'46.

Sir,

Ref: G.O.No.717, Finance, dated 20-9-46 - Interim relief - Rate of leave salary to peons governed by Fundamental Rules.

With reference to the second priviso to rule 87 (b) of the Fundamental Rules, the leave salary of a permanent peon, say, on a pay of Rs.16/- per mensem, in the mofussal works out to Rs.10/- per mensem as follows:-

Substantive pay-	Rs.16/-
Deduct pay of the substitute.	Rs.12/-
Balance.	Rs. 4/-
Add the amount that may be disregarded at the discretion of the leave sanctioning authrotiy (½ of Rs.12)	Rs. 6/-
Total.	Rs.10/-

Consequent on the grant of interim relief, the leave salary of the above peon works out to Rs.11-8-0 per mensem only, as shown in the margin, after taking into consideration the interim relief admissible to the peon on leave and his substitute. Thus, is his case the interim relief works out to Rs. 1-8-0 per mensem only, instead of Rs.3/- per mensem sanctioned in the G.O.quoted above.

	Rs.
Substantive pay of the peon Rs.16+3 =	19/-
Deduct pay of the substitute Rs. 12 + 3 =	15/-
Balance.	Rs.4/-
Add the amount that may be disregarded at the discretion of the leave sanctioning authority (½ of Rs.15).	Rs.7½
Total.	11½

Substantive pay of the peon-	16/-
Deduct pay of the substitute Rs. 12 + 3 =	15/-
Balance.	1/-

Add the amount that may be disregarded at the discretion of the leave sanctioning authority (½ of Rs.15).	7½
Total.	8½

Another hard case is that of a peon who happened to be on leave on the 1st August 1946. His leave salar works out to Rs.8½ per mensem only, as shown in the margin, while he would have got a leave salary of Rs.10/-per mensem prior to the grant of interim relief. Hence a question has arisen as to the amount of leave salary admissible to the peons in the above two cases. To avoid hardship, I beg to suggest that the interim relief of Rs.3/- paid to the substitutes, may be ignored in arrving at the leave salary admissible to the peons governed by the Fundamental Rules. Orders are solicited.

Sub: Interim relief - Rate of Leave salary of inferior Government servants.
Ref: From the Inspector General of Registration No.545 Accts dated 29-11-46.

--o--

The reference from the Inspector of General of Registration may be perused. The hard cases referred to by the Inspector General of Registration are

(1) where both people (the man on leave and the substitute are entitled to interim relief of Rs.3;

(2) where only the substitute is entitled to the relief.

The complaint of the Inspector General regarding the first case is that the interim relief works out to Rs.1-8-0 p.m. only instead of Rs. 3 p.m. sanctioned in G.O.717 Finance dated 20-9-46. As the interim relief is classified as pay and as the inferior Government servants can be sanctioned leave salary only as laid down in the Priviso to F.R.87 i.e. excess over hlaf pay he cannot draw interim relief in full. The temporary additional pay has been treated as pay for all purposes, including leave, pension etc, like dearness or war allowance, which are admissible at the same rates whether on duty or on leave. Hence it does not appear that there is any hardship in this instance.

Example 2. The hardship pointed out in the 2nd case is that the leave salary is less than what it would have been if the interim relief was not sanctioned. As the inferior Govt. servant was on leave on 1-8 46, his pay for calculating the leave salary will be only his actual pay on 31-7-46 which will not include the interim relief (the interim relief is sanctioned only with effect from 1-8-46. But the substitute is entitled to the interim relief under the G.O. at (q) Hence under the discretion vested with the authorities ~~in exhibit~~ competent to grant leave, 1/2 of the interim relief and 1/2 the pay are deducted from the pay of the man proceeding on leave. This is really a hardship. Relief may be granted in these cases by ordering that in such cases, the interim relief paid to the substitute may be omitted for purposes of calculating leave salary. Then the position would be as shown at X on p.1 C.F.

I. From the Collector of South Kanara, Roc.No.F2/376646,d/28-11-46.

--

The interim relief sanctioned in G.O.No.717 Finance dated 2/9/46 has been denied to non-gazetted Government servants on leave on 1-8-46.

This order creates doubts on the following points:-

(1) Whether such persons are not eligible to draw interest relief on any period after 1/8/46. No matter whether they rejoined duty on or after 2/8/46.

(2)Whether leave means is one leave on loss of pay or any kind of leave, including Leave on Average Pay.

(3) Whether this order applies to those who entered on leave prior to 1/8/46 and continued to be on leave after that; and

(4) Whether this order does not apply to those who go on leave after 1/8/46.

As soon as G.O.was received, persons who were on leave on 1/8/46 we e also paid interim relief along with others as the exceptions given in the G.O. did not include persons of this category. Pending orders on this recovery has not been effected and such persons as are continuing still on leave other than Leave without Pay are being paid the ~~omtere, recovery~~ interim relief. If recovery be ordered they will be put in the matter of payment of dearness allowance. Those who were on leave on 1/8/46 did not stand on a different footing with regard to the cost of living from those who were on active duty on that day and therefore the former is in need of as much relief as the latter. Early orders are solicited clarrifying the matter beyond doubt.
Lto unnecessary hardship. no distinction is made

REFERENCE.

The attention of the Collector of South Kanara is invited to point (3) of the instructions contained in the Government (Finance) memorandum No.60861 Sal.46-1, dated 11/11/46 communicated in Board's L.Dis.W.No. 8097/46, dated 26/11/46 and he is informed that the points 1, 3 and 4 raised by him have been dealt with therein. --o-

With reference to para 2 of its reference cited, the Board is informed that as the leave salary drawn by to Government servant is calculated on the pay drawn by him during 12 months prior to his going on leave and as the temporary additional pay sanctioned in G.O.717 Finance dated 20-9-46 could not have been drawn by a Government servant ~~on~~ leave on or before 1-8-46, therefore is irregular to have disbursed temporary additional pay to such Government servants. The overpayments of temporary additional pay made by the ~~xxxxxxxxxx~~ Collector of South Kanara should therefore be recovered at once. Note: With reference to para 2 of the Board's reference on pp 1-2 cf, the general working principle followed in the matter of overpayments to Government servants is to recover such excess payments made within a period of 3 years from date of detection The temporary additional pay was sanctioned from 1-8-46, but in respect of Government servants on leave on that ancial date detailed instructions have been issued subsequently in Memo.Nos.57587 Sal-1 dated 28-10-1946 that they are not eligible for the interim relief ~~rules~~ and until they rejoin duty. In such cases, the Collector should have obtained orders before actually distributing the temporary additional pay. There seems to be force in the argument at B on p 1 cf. in as much as the principles followed in the various financial concessions to Government servants vary. In this case, the total amount of excess payments in each individual case is not likely to be considerable and having regard to the working principle referred to ~~above~~, the entire overpayments may be ~~xxxxxxx~~ ordered to be recovered in a few instalments if necessary. Sub: PUBLIC SERVICES - Subordinate services -grant of interim relief - applicability to students drawing stipends.

--o--

The interim relief sanctioned in G.O.No.717, Finance, dated the 20th September 1946, being a temporary addition to pay is not admissible to students undergoing training for Rangers' posts since they are paid stipends.

2. These students are paid stipends as below:-

Centre of Training.	Period of Training.	Designation of subordinates.	Rate of stipend excluding dearness allowance.	No.of students.	Remarks.
Indian Forest Ranger College, Dehra Dun.	1945-47	Forest Apprentices.	45	5

		Forest Subordinates with war service.	45	10	
		Forest Apprentices with war service.	45	1	
		Forest Apprentace without war service.	45	9	

In G.O.No.Ms.2166, Development, dated the 8th September 1943, the stipends to Forest Apprentices were increased from Rs.35 to Rs.45/- for the duration of the war. Subseqnently the Madras Forest Subordinate Service Rules have been amended permitting the payment of enhanced rates until Government otherwise direct - vide G.O.No.1602, Development, dated the 18th April 1946. Payment of stipends at Rs.45/- and 50 to forest subordinates deputed for training was sanctioned in G.O.No.Ms.4293, Development, dated the 19th November 1946.

3. Representations have been received from students urging their claims for interim relief and pointing out that those undergoing training in the Police training schools have been granted the interim relief.

The different rates of stipends paid are those fixed

with reference to conditions prevailing at the time of sanction. The present conditions warrant the grant of interim relief, allowed to non-gazetted Government servants, to the students also.

4. I therefore request that Government be pleased to direct that the orders in G.O.No.717, dated the 20th September 1946 be made applicable to the students.

In his letter, the Chief Conservator of Forests has requested that the temporary additional pay sanctioned in G.O.717 Finance dated 20-9-46 may be made applicable to the persons undergoing training in the Indian Forest Ranger College, Dehra Dun and the Madras Forest College, Coimbatore. These trainees fall under the following two classes:-

(1) Members of the Forest Subordinate service, with or without war service to their credit:

(2) Directly recruited apprentices undergoing the training preliminary to taking up appointment in the Forest Department.

The temporary additional pay is admissible in the case of the Forest subordinates referred to in item (1) above subject to the conditions laid down in G.O.717 Fin. dt. 20-9-1946. In such cases it should be certified by the head of the Department that they would have continued to hold a non-Gazetted Post in the Forest Department during the period 1-8-46. to 31-12-46 but for their training and the rate of temporary additional pay should be determined with reference to their pay in their now Gazetted posts.

Finance(Salaries)

The Chief Conservator of Forest has requested and Development recommend that the temporary additional pay sanctioned in G.O.717 Finance dated 20-9-1946 may be extended to the candidates undergoing training in the Indian Forest Ranger College, Dehra Dun, and the Madras Forest College, Coimbatore for the following reasons:-

(1) The temporary additional pay is allowed in the case of the recruits undergoing training in the Police Training Schools

(2) The rates of stipends were fixed with reference to the conditions prevailing at the time of Sanction and that the present CONDITIONS wanout the grant of temporary additional pay.

2. These trainees fall under the following two classes:-

(1) Members of the Forest Sub Service with or without war service to their credit;

(2) Directly recruited Forest apprentices (ie) persons without any previous service under this Government Government undergoing the training prelimanary to taking up appointment in the Forest Department.

Item (1) above: The men in this class are regular non-Gazetted Government servants of the Forest Department, and the temporary additional pay may be allowed in their case subject to the conditions laid down in G.O.717 Finance dated 20-9-46. In all such cases, it should be certified by the head of the Department that they would have continued to hold a non-Gazetted post but for their training, and the rate of temporary additional pay should be reckoned with reference to the pay of the Forest Subordinates in their non-gazetted posts.

Item (2) above; The persons in this class are, as their designation implies, students undergoing training and the amount received by them during training is admitted to be stipends. Till they complete the training and are actually appointed to duty posts they cannot be said to be register non-gazetted Government servants to justify the grant of temporary additional pay. It is ~~time~~ time that the temporary additional pay is allowwdin the case of direct recruits undergoing training in the Police Training School but in their case, the pay during Training has all along been treated as 'pay' such persons are therefore in the regular

service of Government at the time of training, and their case is not on all fours with that of the students of the Forest Department who receive only stipends during training.

As regards the reason in para 1 (2) above, the stipends are not intended to cover the entire cost during training. For instance, students in the Government Training Schools are given small stipends and they have to supplement by other sources of income during training. The temporary additional pay cannot be allowed in such cases. The Chief Conservator of Forest may be informed accordingly. Draft memo is submitted for approval.

Temporary additional Pay - Payment to contingent staff in the Government press after 1-1-47.

--o--

The attention of the Accountant General is invited to the orders in G.O.No.2127 Education dated 8-11-1946 in which the Government extended the concession of interim relief (sanctioned in G.O.No.717 Finance dated 20-9-46) to the contingent staff in the Government Press as a special case. The payment of interim relief was ordered to be discontinued from 1-1-47 in para 1 of G.O. No.78 Finance dated 6-2-47, but the Superintendent of Government Press has reported that it has been continued till now. The Accountant General is requested to investigate and report how it is that the payment of interim relief for the contingent staff in the Government Press was permitted by him to be continued after 1-1-47.

The favour of a very early reply is requested.

Sub: Temporary Additional Pay - Payment to contingent staff in the Government Press after 1-1-47.

--

With reference to Government Memo.No.44027-A Finance/Sal.47-1 dated 24th July 1947 on the subject noted above, I have the honour to state that the pay and allowances of the contingent staff are not subjected to detailed audit. A reference was, however, made to the Superintendent, Government Press, regarding the payment of temporary additional pay to the contingent staff after 1st January 1947 and copies of this Office reference and his reply are enclosed. The Superintendent's contention that special orders are not necessary to continue the payment appears to be correct for the following reasons:-

(i) the orders issued in G.O.No.78 Finance dated 6th February 1947 can be taken to apply only to the classes of Goverment servants mentioned in the schedules thereto.

(ii)the concession of drawing temporary additional pay was extended to the contingent staff of the Government Press as a special case in G.O.Ms.2127 Education dated 8th November 1946 but it does not appear to have been specifically withdrawn.

(iii) No time scale of pay has yet been sanctioned to the contingent staff of the Government Press as contemplated in para 1 (4) and (6) of G.O.No.484 Public (Services) dated 12th February 1947.

2. If however, it is the intention of Government not to allow temporary additional pay to the contingent staff of the Government Press from 1st January 1947, orders to that effect are awaited.

I have the honour to be,
Sir,
Your obedient servant,

O R D E R:

A deputation from the Government Press Workers' Union headed by Sri P.R.K.Sarma, President of the Union, waited on the Hon.Minister for Education on 15-8-46. In the light of the discussions that took place the Government have carefully considered the several demands of the Government Press Workers' Union and pass the following orders:-

2. (a) Grant of interim relief and increase inthe rate of dearness allowance: The Government have now approved the grant of the following concessions with effect from 1-8-46. The Government servants with the exception of those paid from contingencies will be eligible for an addition ~~to pay at a contingencies will be eligible for an addition~~ to pay at a flat rate of Rs.3 p.m. if they are in receipt of Rs.40 or less.

(b) Rs.4 p.m.if they are in receipt of pay exceeding Rs.40 p.m.and equal to or less than Rs.196 p.m.

Government servants in receipt of pay between Rs.196 and Rs.200 p.m. will receive such addition as will bring their pay up to Rs.200 p.m. The above concessions will be applicable to the employees in the Government Press also. The Government as a very special case, extend these concessions to the day-extra and contingent extra establishments of the Government Press who have put in continuous service of not less than two years.

"Continuous service" will be defined as follows:-

The particular person in question should have drawn a full month's pay every month (which means that he has not been absent from work during the month) and not only so long as his name is retained in the rolls provided that absence on public holidays and any authorised period of absence on ohher days need not be treated as an interruption of service though any period of unauthorised absence will invariably be treated as an interruption in service.

--o--

The question of further continuance of the Temporary Additional Pay to the contingent staff inthe Government Press after 1-1-47 arose as an off-sheet firm a similar proposal relating to the contingent workers in the Secretariat. The Temporary Additional Pay has since been continued in regard to the Secretariat staff and it has been held in another file in Education and Public Health. that the orders in G.O.No.2127 Education dated 8-11-46 will continue to be in force till the pay of the contingent staff in the Press is revised and the orders in the above G.O. are cancelled. In the circumstances, the suggestion at 'K' on p2 above need not be pursued further and the Accountant General may be informed accordingly.
